

Le coin de « l'histoire »

Une histoire de « la Valentine »

I used to be like this...

She was like this...

Together, we were like this...

Then I met a girl...

I gave her gifts like this...

Amicale Epatente des ...

When she accepted my proposal, I was like this...

I used to talk to her all night like this...

And at the office I used to do this...

... Joyeux-Jeunes Retraités

When my friends saw my girlfriend, they stared like this...

And I

used to react like this...

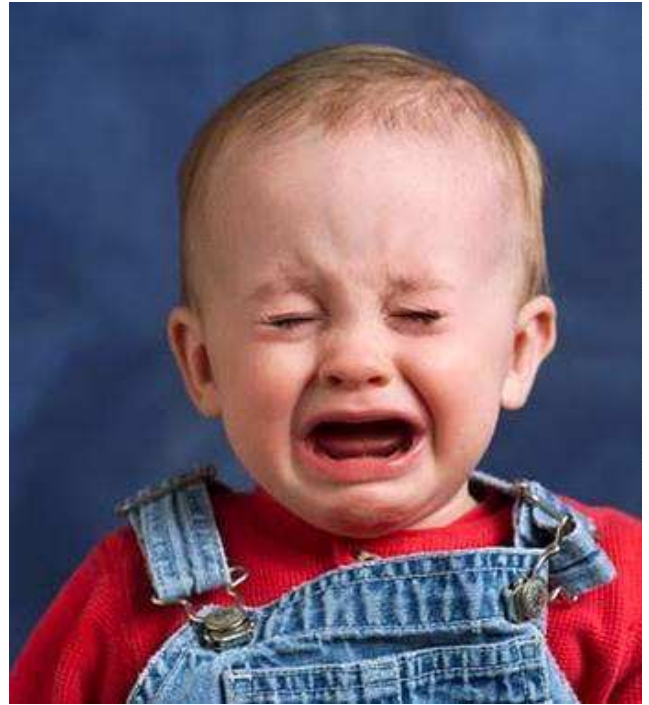

But on Valentines Day, she received a red rose from someone else like this...

And she was like this...

and this...

And I was like this...

I felt like doing this...

Which later led to this...

I started doing this...

and this ...

GIRLS!
